

## Nottingham 0 Leeds 3 West Yorkshire League

A solid performance from Leeds gave them a comfortable 3 - 0 victory at Nottingham. The blustery conditions enabled Leeds to play some scintillating first touch football and only the Nottingham goalkeeper kept the first half scoreless.

In the second half a fine solo effort from Harrison Jeal gave Leeds the lead. Then Samuel Longfellow started and finished a fine move to make it 2-0. Then a "thunderbolt " from Jack Wilman gave Leeds the deserved 3 - 0 victory.

Nottingham's only real threat was the long ball as they had some very quick forwards but Riley was outstanding in goal and thwarted every chance.

The Leeds defence had their best performance of the season with Aiden , Max Hunter , Nathan and Sam in fine form . The midfield worked tirelessly with Max Tabbard, Harvey , Daniel and Hadleigh particularly strong.

Ross led the line very well allowing Samuel , Harrison and Jack to get plenty of the ball causing the damage to the Nottingham defence.

Leeds B move into second position in the league.

Mr Elliot and Doc seemed most satisfied with the performance and the boys have now set the standard for the rest of the season.
