

Leeds U11 B 3 Huddersfield SFA 2

A great start was made by Leeds against a very good Huddersfield outfit. Goals from Ross Allison and Daniel Hernandez gave Leeds a comfortable looking 2-0 lead but Huddersfield scored two goals in a minute to set up a pulsating finish. Then a cool finish from Haddley Speight gave Leeds the victory. Leeds started the brighter but failed to breakthrough against a very resolute Huddersfield team. Sam Halliwell and Aiden Rivers were outstanding in defence as Huddersfield always looked dangerous on attack.

Great interplay between Ross and Harvey gave Ross a chance to make it 1-0. Leeds then pressed on and received a penalty when Max T was brought down. Ross struck the penalty with great venom but it sailed over the crossbar.

Jack Wilman, Harrison and Samuel L began to take the game to Huddersfield and Leeds should have made the possession count.

Riley had little to do in goal but dealt with everything and Max H and Nathan looked untroubled at the back.

However, a crazy couple of minutes resulted in Huddersfield drawing level due to poor marking. However, the Leeds team showed the desire and tenacity need to win every game and they scored late on to take the game 3-2.

Sheffield a-wait next week and then the exciting trip to Liverpool.
