

27th September Leeds 2 Wirral 1

A fantastic all round team performance gave Leeds their first victory at the Wirral for over 15years.

The first 20 minutes Leeds looked in complete control and deservedly took the lead with a 30 yard free kick from Billy Carroll.

In the second period the Wirral introduced new players and changed their formation. Leeds were under pressure but Riley Greenfield in goal produced a man of the match performance.

In the third period Leeds increased their lead when Samuel Longfellow followed his own shot up with a neat header. Then Ross Allison was brought down in the box but Max Tabards penalty was well saved.

Wirral scored a well worked goal 5 minutes from time but Leeds held on for a famous victory. All players should be proud with their effort and application.
