Scarborough 0 Leeds B 11

Leeds travelled to Scarborough and both teams battled against the elements. Skipper Ross Allison led by example scoring a hat trick in the first 20 minutes with clinical finishing. As Scarborough pushed forward Leeds exploited the gaps at the back and Harrison Jeal also scored a quick fire hat trick to make it 6 – 0 with 20 minutes remaining. In the last 20 minutes Leeds scored a further five goals , 3 from Hadleigh Speight and 2 from Samuel Longfellow. Leeds B are now second in the league.

Full credit must be given to the Scarborough back room staff and the referee for allowing the game to go ahead in awful conditions.

Leeds began brightly right from the first whistle and the Scarborough defence struggled against a powerful Leeds performance. Riley was called on early to make a good save but was rarely troubled. Harrison, Ross, Hadleigh had Scarborough soon on the back foot.

Jack, Harvey and Samuel began to dominate midfield and Daniel marked the best Scarborough player out of the game. Sam, Max H, Nathan and Aiden put in a most solid performance making sure Leeds came away with a clean sheet.

Its way to Derby next week and a win could put Leeds B at the top of the table!
