

Derby UUs 2 Leeds 5

A resilient performance from Leeds saw them go top of the league. Derby led 1-0 before goals from Max Tabbard , Jack Wilman and Hadleigh Speight gave Leeds a 3-1 cushion. However a fight back from derby made it 3-2 until goals from Harvey Stephenson and Samuel Longfellow gave Leeds the deserved victory .

It was reminiscent of the Francis Lee v Norman Hunter days as the tackles flew in but the referee let the game flow . The medics were on the pitch more than the grass but Leeds stood firm against a most physical but very competitive Derby side.

Riley Greenfield made some early saves with Aiden and Nathan outstanding in defence. Sam H and Max Hunter took a no nonsense approach as Derby kept the game alive.

Daniel Hernandez , Ross Allison, and Samuel Longfellow were the best players on the pitch as Leeds took control.

A great performance and Mr Elliot and Doc Towers stood firm with their team selection and motivation ... no place for the faint hearted !
