

### 1<sup>st</sup> Third

A great team effort from the parents pre and post match was completely overshadowed by the team on the pitch. For their first home league game every player put in 100% for the team, with some outstanding goals and performances.

A lively crowd at the Stadio De Santa Teresa, Leeds started fast and within the first minute a fantastic effort by **Moorby** from the right wing. That set the tempo of the game and a minute later a through ball from **Barone** to **Hernandez** making the Barnsley keeper save bravely at his feet. Barnsley then on the break but a great tackle from **Hale** to stop their first attack on goal sending the ball straight up the other end with **Hernandez** just shooting wide.

Coaches Mr E and Mr R continually giving instruction to be drowned out by Leeds goalkeeper **Emery's** encouraging vocals and direction which could be heard for miles around keeping his slick defence on their toes at all times. First attempt on goal from **Barrett** on the volley just inches past the post. Barnsley break again and the great team effort from defenders **Westerman & Paynter** they clear once again, ending with a foul against **Hale**. **Hale** quickly takes the free kick and a great move from **Hernandez** sending **Barrett** through on goal to slot past the keeper with his left foot. 1-0 to Leeds after 9 mins.

From the kick off Barnsley on the attack pulling out a great save from **Emery** palming the ball into the path of **Paynter** to clear up field setting up **Barone** to test the Barnsley Keeper once again with a finger tip save. Keeper cleared but left the goal exposed which **Warren** took advantage of with a half volley from the edge of the box to give Leeds their 2<sup>nd</sup> 2-0 Leeds after 16 mins.

18 mins gone and another great ball from **Hernandez** to **Barrett** who once again slotted past the keeper with his right foot this time to get Leeds 3<sup>rd</sup> – 3-0 to Leeds. Barnsley straight into the attack from the kick off with **Westerman**, not for the first time, mopping up at the back to send the ball up field for **Moorby** to run at the Barnsley defence, only being stopped by the referees whistle to end the 1<sup>st</sup> third.

### 2<sup>nd</sup> third

**Westerman, Warren, Hernandez** and **Hale** making way for the subs **Vasey, Hirst, Moyles & Fernandes**. Barnsley started well with **Vasey** straight into the action clearing with his head to send **Barone** on a magical run to shoot just wide. Great catch from **Emery** from a Barnsley attack which he then sent **Moorby** on the attack into **Fernandes** with a sweet finish to make it four. 4-0 to Leeds at 22 mins

**Moyles** called into defensive action from the kick off with a strong clearance sending **Paynter** on a run through the middle of the pitch, Barnsley cleared only for a four man Leeds attack to break down the defence with **Moorby** setting up **Barrett** for his hat trick – 5-0 Leeds after 28mins. Then a magnificent volley from **Moyles** was matched by the tremendous save from the Barnsley keeper who was certainly being kept busy in the goal.

Corner to Barnsley which was smothered by **Emery** in goal who sent **Vasey** down the wing and putting a great ball in which the Barnsley keeper bravely cleared again and set up the attack for his team. **Hirst** tracking back well to clear the attack and firing the ball into the crowd.

Some great footwork from **Barone** to finish the middle third with a stunning lob from **Moyles** that just went wide.

### 3<sup>rd</sup> Third

**Barrett, Barone, Paynter and Moorby** rested to be replaced by **Westerman, Warren, Hernandez** and **Hale**. After 2 minutes Leeds first attack seeing a great through ball from **Vasey** to **Hernandez** – 6 – 0 Leeds. Straight from the kick off **Westerman** cleared up field for **Warren** to get his second with a quite special lob from the left wing to go over the keeper for their seventh – Leeds 7-0 after 43 mins.

49 mins and another great volley from **Moyles** to be once again matched by the heroic Barnsley keeper followed by a great run down the wing by **Westerman** for the ball to be put out of play by the Barnsley defence. Two minutes later **Moyles** with another chance from the edge of the box – GOAL Leeds 8 – 0.

53 mins gone and great play from **Hernandez** into **Vasey** only for his goal to be disallowed for offside, by Referee K Smith who had a faultless performance. **Fernandes** on the attack again with a solo run from the half way line GOAL 9 – 0 Leeds after 56 mins.

Barnsley still pressing forward but could not break the Leeds defence, **Hirst** defending well to then find **Vasey** who just fired over and then in the final minute of the match **Vasey** on the volley found the back of the net to make it 10 – 0 to Leeds.

Barnsley could just not break the Leeds defence with **Westerman**, **Hale** and **Hirst** standing strong and **Emery** continuously deafening the crowd with his words of wisdom and instructions!. A great attacking team performance which saw the Barnsley keeper pull off some outstanding saves to be my man of the match.
