

U11 Leeds School Boys A Team

After a comfortable win away at Derby last week with goals from Claude Paynter, Joe Barrett and Tom Barone Leeds A team were on their travels again this time against a very strong Sheffield team.

Sheffield started the brighter with Cameron Moyles and Olly Westerman defending well, then a great ball in from Ben Hale to James Moorby with his back to the Sheffield keeper turns and shoots just wide. A sting of attacking play from Tom Barone, Alex Hernandez and Moorby tested the Sheffield defence but unable to find the back of the neck.

Sheffield on the attack again with Charlie Emery in the Leeds goal saving well with his feet. Ball out to Alex Hernandez who breaks down the middle of the pitch using his strength and ability to get past 3 Sheffield players just to see his great effort go wide.

Joe Barrett and Bruno Fernandes linking up well and the ball goes out to Barney Warren who sweetly strikes the ball and rattles the crossbar.

Harry Vasey and Barney Hirst with some great play in the centre of the pitch ball goes out to Barney Warren again who this time is rewarded for his effort with a perfectly timed chip to lob the Sheffield keeper. 1 – 0 Leeds

Sheffield quickly react and a mix up with the Leeds defence and Emery see Sheffield take advantage and equalise 1- 1.

Leeds the stronger team over the majority of the game where then unfortunately hit for two more goals from set plays, defence unable to clear either corner with Sheffield scoring from a header on both occasions. Leeds suffer the 1st defeat of the season – Sheffield 3 v 1 Leeds
