

U11 Leeds B 0 v Hull 2 West Yorkshire League

Sometimes football is not fair cried the Leeds players and supporters !

A very tight game with few chances until a wicked deflection fooled the debut goalkeeper Joe and Hull quickly wrapped up the game with another goal in stoppage time.

The Leeds team played very well for long periods with the defence holding their shape against a strong forward line.

Aiden , Nathan , Max Hunter and Sam Halliwell all doing a good shift.

Ross , Hadleigh , Jack and Samuel all battled extremely well against a very resolute Hull rear-guard.

Daniel , Hazza , Max T and Harvey more than matched their counterparts but it just wasn't to be !

A great platform for the rest of the league campaign and if the ball runs kinder a winning performance will be not far away.
