

Leeds U11 v Bradford Development Centre

Leeds put in a solid performance to dominate the match from start to finish.

With Nathan Exton solid in defence and Alfie Wilkinson pulling the strings in midfield Bradford struggled to cope with the Leeds quick neat passing.

2 goals each from Ross Allison , Harrison Jeal and efforts from Charlie Costello and Hadleigh Speight completed the scoring.

Leeds dominated the first 20 minutes but found the Bradford Keeper in tremendous form. However , Leeds persistence paid off when Halliwell made a great interception sending Costello away. He rounded the goalie to finish a good move.1-0

The second twenty minute period became all one way traffic as Leeds attacked at will . Allison chipped the keeper and Jeal followed up the rebound to make it 2-0. Allison then made no mistake following a great through ball from Wilkinson 3-0.In the last period of the second quarter Jeal scored from 25 yards leaving the keeper with no chance.

In the final quarter Bradford finally began to get into the game but Greenwood in goal handled the pressure. Pearson and Pliener also stood firm with Stephenson a driving force in midfield. Then a swift counter attack by Leeds saw Hernandez play Allison in and it was 5-0.

With the minutes ticking away Hunter made a great tackle and the ball was moved onto Speight who made no mistake 6-0.

A good all round team performance.
