## LEEDS SCHOOLS' F.A. TRIALS FOR UNDER 11 & 12 SQUADS 2016-2017 SEASON

Dear Colleague

The time has almost come again for the trials for next season's L.S.F.A. U11 & U12 City Squads.

The Trials will be at **St Theresa's RC School for U11's and U12's**. Because of the complexity of organising such a large number of trials but still maintaining a manageable number of trialists on each date, I am sending out the Nomination Form first before allocating dates for players to attend.

**Please fill in the form enclosed and return it to me via fax, email (please note new email address) or post to my work address; Woodlesford Primary, Church Street, Woodlesford, LS26 8RD ASAP**

Once I have received your Form, I shall be able to allocate your nominees a trial date(s) (each trial has a nominal maximum of 50 players). **The dates will then be sent out via email before we break up for the May half term.**

**It is often a good idea if you can put a contact telephone number for the parent of the child for me on the form in case I don't manage to get the dates completely allocated before we break up for the May half term, then I can contact the parent(s) direct to give the date & time during the break, as we usually start on our return to school beginning of June then continue through until mid July.**

As this letter goes as always to almost 200 schools, I ask that you try to limit your nominations to a maximum of **FIVE** players for each age group- otherwise we shall get completely swamped. If you genuinely think that your school has more than five serious candidates, then do nominate them all but we cannot guarantee to see them all on the same day.

The nominations are open to both boys and girls and we should very much welcome any player who came to last season's trials even though a year young at the time.

**Once again unfortunately we will NOT be holding separate U11/12 GIRLS trials as we do not have the personal to run teams + other Associations are not running girls representative teams, but if you have any girls you wish to nominate please do on the form.**

**Last, but not least, please return the Nomination Form even if you have no nominations to make (or 'phone me) as it puts my mind at rest that you have at least received my letter. I shall only ring and pester you if you don't!!**

We do take notice of the list at the bottom of the Nomination Form and we are still looking for teachers/teaching assistants etc to help us run the teams in the coming season. So please don't be shy – if you are interested please let me know.

Sincere regards

Jackie Batley
