

## Leeds unlucky in the U11's Green Un Cup Tournament

10 teams took part in the annual 'Green Un Cup' at the weekend with the teams being divided into two groups of five. York, Leeds 'A', East Riding, Scarborough and Barnsley in one and Sheffield, Nottingham, Leeds 'B' Derby and Eastwood in the other.

Leeds 'A' started the group strongly with a 3-0 win over East Riding with goals coming from James Moorby and a brace from Barney Warren. They then went on to draw their next three games, 1-1 v York with Barney Warren on the scoresheet again and 0-0 against Scarborough and Barnsley. This was enough to qualify for the Semi-finals as runner up in their group.

Leeds 'B' had to wait a little longer for their first game as Nottingham had withdrawn but also started their group strongly with a 1-0 win over Sheffield and the goal of the tournament coming from Jake Kilbride. They then drew 0-0 against Eastwood and 1-1 against Derby with James Waters getting the goal from the spot. Again this was enough to qualify for the Semi-finals as runner up in their group.

Leeds 'A' took on Sheffield in their semi-final and after a hard 0-0 draw in normal time the result was still stalemate after extra time and Sheffield got their place in the final 3-1 on penalties.

Leeds 'B' solid tournament performances were finally rewarded with a well-deserved 3-1 win over Scarborough in their semi-final with goals coming in from Bruno Fernandes, Ben Ratcliffe & James Waters

A hard fought out 1-1 final against Sheffield saw it go to extra time with the goal coming from Ben Ratcliffe and unfortunately Leeds 'B' were very unlucky not to take the champions title when Sheffield edged their way to victory scoring twice and with Charlie Eastwood finding the net for Leeds 'B' only finish 3-2 to Sheffield after extra time.

A great tournament with some fantastic displays on show and a memorable goal from Jake Kilbride
