

A Team Grab Bragging Rights in Top of The Table Clash

The highly anticipated A team versus B team clash was further spiced up with the knowledge that the winners would claim the top spot. With York and Sheffield also in the mix and yet to play each other, the losers would likely drop to third place, so this was a true 6 pointer.

The game opened with both midfields battling fiercely with few opportunities falling to either team. The first chance fell to Aiden, who under pressure (from Harry), put his shot over the bar. The B team responded with a slick move when Oli D found Tyronne and his shot flashed across the face of the goal. Leeds A went close again when the ball fell to Aiden but Archie pushed his goal bound shot onto the post (pictured).

Leeds A opened the scoring shortly after, when good work on the left from Noah found Alfie B with too much space in the box and he made no mistake with an assured finish. The Whites almost bounced straight back when Oli T went close to equalising shortly after but his shot came off Harvey's feet and, agonisingly, onto the post. The A-Team doubled their lead shortly after when George S attacked a near post corner and Perry was unable to keep his powerful header out.

The B team lost their balance in the second period and the Yellows enjoyed their best period of the game and they went 3 goals up with a smart finish from Aiden. The whites had a chance to close the gap but Reece's shot from distance

missed the target with Harvey stranded off of his line. The Yellow's opened a five goal gap when Aiden scored his second of the game and Max pounced on a loose ball when the Whites failed to clear.

The third period was the B teams most competitive and they got a goal back when Reece's free kick from distance cleared the wall and left Harvey little chance. Noah restored the 5 goal deficit with a smart run and finish. This was an open spell of the game as the defences tired leaving space for both sets of strikers to enjoy. A good move from the B-Team enabled them to score their second goal of the afternoon, when a precise pass from Lucas fed Oli T whose resulting shot rebounded off the post and Reece reacted quickest to score his second. Reece claimed his hatrick shortly after when Jack intercepted a pass from defence and a fed the ball to Reece who finished well from a tight angle.

The Whites had clawed the score back to 6 – 3, but the A-Team scored the last goal of the game when George S collected the ball on the halfway line and scored a fine individual goal at the near post (pictured).

The Whites did enjoy some penetration down the left hand side when Lucas broke free but was unable to find a team mate in space. This was a highly entertaining encounter with both teams matching each other for commitment but a poor second period consigned the B-Team to their second defeat of the season.

Leeds B U11's			3	Leeds A U11's		7
