

### **Leeds Schools FA U13,s v Barnsley**

This was the big game today forget that other one in the Championship.  
A cold frost awaited our visitors Barnsley this morning .

The only thing that was solid this morning was the team work from everyone involved from start to finish.

Leeds took an early lead through Alasdair Kerr who capitalised when the Barnsley goalkeeper came off his line to clear the ball only for it to fall into the path of the Left wing back who with great vision struck it first time. Leeds 1-0

Next up for Leeds Jamie Preece who took his goal off a parry from the keeper. Leeds 2-0  
Phillip Mundenda made it 3-0 with a well taken goal .

With halftime looming Leeds didn't take their foot off the gas and Charlie Tokarski seeing the keeper off his line took the opportunity to strike and end the first half. Leeds 4-0.

Second half Leeds made two changes even this didn't stop the attacking style of play by the whites and before too long up steps Jamie Preece to score two more goals to finish on a hat trick. Leeds 6-0

Goal keeper Jude Howes kept a clean sheet again with three vital saves during the game.  
A solid all round performance from a much stronger Leeds.
