

Leeds Schools U11's (A Team) v East Riding (H) 2/3/19

Leeds continued their good form from their previous 7-0 win and started on the front foot.

Converting their early pressure when Harry Gardiner scored in the bottom left corner.

However, East Riding hit back soon after, with an excellent long range dipping shot from the edge of the area, over the keepers head, to level it up

Leeds started the 2nd period on the front foot again. After penning East Riding in, the pressure finally told when Lucas Alexander cleverly fed Ben Furey, who tucked it in the bottom right corner to take make it 2-1.

Leeds we're hungry for more and it soon became 3, when Jaydan Clarke-Thompson scored with a powerful shot across the keeper to the far right.

Josh Akiti then made it 4 after a powerful burst down the inside left and a shot straight through the keeper.

Leeds still on the front foot, made it 5 shortly after. Harry Gardiner squared it across the area for Max Beckett to score on volley home from close range.

Leeds even had the luxury of a missed penalty, with Jaydan Clarke-Thompson smacking the post after being fouled to earn the penalty.

5-1 in the end and no more than Leeds deserved. Leeds were just too strong on the day.
