

## **Leeds secure comprehensive victory in feisty affair.**

A workman like performance from Leeds saw them claim joint top spot in the league. Continuing his rich vein of scoring Reece Wilson expertly finished from the acutest of angles to the roof of the net, following up a drive from fellow marksman Aidan Durkan. Leeds second came from a delicious free-kick delivery from Alfie Bradshaw, Wilson got in front of his man to glance a superb header over the Nottingham keeper. Leeds were solid in defence with a standout performance from Max Dickinson who didn't let the antics of the opposition put him off his game. A third goal came from a fine piece of play and a smart pass through the legs of the defender by Wilson into the path of powerhouse Durkan who unerringly drove the ball into the bottom corner. A quiet and uneventful second period followed but Leeds retained their dominance in the third as a nice passage of play from Dickinson, Noah Gill and Dylan Cadena helped the ball into the path of prolific Wilson who completed his hat trick. Leeds keeper Archie Edson was untroubled as Leeds defence held the line with good work from George Sebina and George McDonnell. Left back Dickinson was unlucky not to add to the score line with a mazy run taking on the Nottingham defence on his own and only been thwarted by a last ditch save from the busy Nottingham keeper. Durkan however was not to be stopped as he fired a quick fire double for his hat trick and Leeds sixth. Overall Leeds were far too strong for the opposition and without really

going into third gear. Hopefully the form continues as they secure the top spot in the league with a cup final also to play.
