

Wilson nets four as East Riding are hit for seven

Reece Wilson scored 4 as LSFA U12 beat East Riding 7-0. It took Leeds a while to get started as they struggled to get used to the harsh conditions. Once they did adapt to the conditions, Leeds played some excellent football, with Noah Gill flashing a ball across goal which none of his teammates could get on the end of. Leeds then went 1-0 up when Wilson followed in after a thunderous George McDonnell strike hit the bar. Wilson was involved again, striking the post after Gill's shot was cleared off the line. Leeds thought they had a second when Thomas Mills' shot was spilled by the 'keeper but somehow it was clawed off the goal line.

In the second half, there was a flurry of goals for Leeds. Wilson got three in quick succession, with his fourth goal being the pick of the bunch. The ball was played into him in the box and he turned his man and lashed the ball into the top corner to make it 4-0 to Leeds. Noah Gill then got in on the act, poking in after a scramble in the box. Gill then got his second and Leeds' sixth when he volleyed in to the far corner after an excellent cross-field ball from James Murray. Thomas Mills got Leeds' seventh and final goal when he tucked the ball away after a ball into the box by Alfie Bradshaw.
