Leeds City Boys U11 Bs fell to a deflating 3-2 defeat at home to Sheffield Blues on Saturday having fought their way back into the match brilliantly from an early 2-0 deficit.

Sheffield took control early on and when a free kick was delivered into the box on six minutes, their striker was allowed to turn too easily and smack his shot past goalkeeper Ollie Latham.

Latham rushed out of his goal to make a clearance later in the half but his kick was intercepted by a Sheffield midfielder who return shot towards the unguarded goal trickled agonisingly over the line.

Back came Leeds though and from nowhere a ball over the top set jet-heeled striker Carter Lewis clear of the Sheffield defence and he lashed it past the goalkeeper with typical cool-headed efficiency.

Aden Surtees could have equalised but hit his shot over the bar. Leeds needn't have worried though as from a Rory free kick to the right of the area, Joe Bhaskaran flicked home a header to spark wild celebrations.

Latham made a stunning double save to prevent Leeds going behind, then another superb block, but Sheffield took the points from a very keenly fought game. Their winger - - darted to the byline and crossed low before the ball was bundled home.
