

Leeds hit three in Yorkshire Derby

LSFA U13's scored 3 in a dominant display away to Barnsley.

Leeds asserted their dominance from the start and almost went in front when Jack McClarin struck the post after a wonderful passing move. Leeds finally got the goal they deserved after some determination from Noah Gill earned them a penalty. Reece Wilson stepped up and duly slotted the ball into the bottom corner.

After the break, Leeds doubled their lead as a corner was cleared to the edge of the box and George Hilton was on hand to smash the ball home. Leeds would have had more but for a string of excellent saves from the Barnsley 'keeper. Leeds did get their third eventually after Archie Waddington cut inside and curled a shot brilliantly in off the post. Leeds never looked trouble throughout the game and were good value for their win.
