

## **Match report – Leeds Schools U12's vs Wakefield 14/12/19**

The Leeds schools U12's defence stood tall and dominated every challenge to allow their forwards to run riot as they beat Wakefield for the second time this season. This time two hat-tricks delivering an early Christmas present for Zack Finn and Lucas Alexander as their 6 goals went unanswered by the local rivals.

The teams took to the muddy pitch in a flurry of hail. The Leeds attack looked anything less than frozen, taking control and keeping the Wakefield keeper under pressure in the difficult handling conditions. Zack Finn scored first on a solo break, closely followed by Lucas Alexander opening his account with a long range looping ball that found the keeper off the line, the celebrations at least managing to warm the shivering home spectators.

Leeds were 5 goals up after twenty minutes, Lucas Alexander having quickly secured his hat trick. From that moment, in deteriorating conditions, the Leeds defence stepped up to control every ball that entered the Leeds half. The combination of Frankie Humphreys, Mahmood Mohamad and Ollie Walker with Louie Kenyon in the Leeds goal winning every challenge and turning each Wakefield attack into a swiftly converted Leeds threat.

Near the end of the game Zack Finn got his own hat-trick to end the match 6-0 and take Leeds into the Christmas break on a high.
