

Leeds A vs York 11/12/21 9-1

Rout at Leeds after York beaten by 9 goals to 1.

On a cool winters morning, the first few chances of the game fell to York, forcing some good defending from Leeds Sam Bartlett. This wasn't enough, however, with York finding the net for the first time of the game after hitting Leeds on a dynamic counter attack.

Leeds hit back quickly with Jaiden Lund setting up Nevan Maguire to level up the score. Leeds started to pile on the pressure with some excellent play from Logan Stanniccliffe, Lund and Jude Hickson.

The pressure told, as a deflected shot from Charlie Dees led to Leeds taking the lead. A second deflected shot went in Leeds favour, with Maguire hitting a strike to make it 3-1.

York responded well, forcing Oli Garbutt into a strong save from a shot on the edge of the area. York's fight back continued with a couple of chances being created. However, Leeds defense stood firm with Miles Emmet and Toby Gray standing tall denying York any further opportunities. York's offense was not to last long, with Lund being chopped down in the penalty box, winning a penalty for Leeds. Dees stepped and the result was never in doubt, 4-1 Leeds.

Lund's influence was to continue, as he set up a further goal for Denis Pajecs whose first touch and finish showed mature composure.

Leeds high pressing game paid off for their 6th goal after a turnover of play saw Dees on the goal-sheet again from another deflected shot.

Confidence was high for Leeds as their team play really started to gel. Pajecs made a great run down the left hand side, setting up a straightforward chance for Maguire to find the net again. Pajecs finished off the rout with two more goals, after fantastic build up play from the whole team for both goals.

The game ended 9-1, after an action packed-high intensity performance from Leeds walking away with a fully deserved victory at Home.
