

Leeds B v Doncaster 16th October 2021

The bad luck continued for Leeds U11's B team on Saturday, despite dominating the first third against visiting Doncaster. Blake Forrest's sixth minute goal attempt was just wide of the post, while skilful passing between Liam Moore, Brodie Varley and Dougie Jackson put pressure on Doncaster's defenders. Strong defensive teamwork by Arthur Spiers, Logan Kingswood and Yi Zhe Gao denied the opposition a chance at goal and the first third ended 0-0 with Leeds looking the stronger team.

Doncaster came back fighting and a 22nd minute goal saw the tide turn. Striker Jane Turay matched Doncaster's strength but was unable to penetrate their defence, while Kai'Relle Rose-Hunt's quick feet made him a target for several fouls. Shae Bryant, Flynn Hodges and Jacob Keddie worked hard to drive Leeds forwards, but the team were unable to stop an onslaught of five goals in quick succession. Leeds regained composure in the final third, with Freddie Prudhames-Slatter's 52nd minute save holding the score at 6-0 until the final throes. It ended 8-0, for a home team which showed improved teamwork and communication, but lacked the required strength and aggression against a powerful opposition.
