

East Riding v Leeds B

A recent improvement in form meant hopes were high on Saturday, for the U11 B Team's away fixture to East Riding. However, with key players missing, the home team took advantage of a weakened midfield and scored in the opening minutes of play.

Leeds regained composure and for a while looked the stronger team. A 6th minute free kick by Ethan Ward almost levelled the scores, but for a gravity-defying save. The home team came back fighting and by the 20th minute Leeds were 3-0 down.

Leeds worked hard to stay in the game, with Luke Winstanley finishing a 23rd minute corner by Dougie Jackson to bring the score to 3-1. Strong defensive play by Logan Kingswood and Yizhe Gao kept the attackers at bay, and a series of outstanding goal line clearances by Brodie Varley prevented near-certain goals for the opposition. East Riding broke through once more in the final throes, with the score line finishing at a disappointing 4-1.
