

## Leeds U11 B v York

The gale force wind blowing across the pitch led to difficult conditions for both teams. York pushed into an early lead with two breakaway goals against the run of play. As Leeds pushed forward, clever wing play and cross by Dougie Jackson led to a curling effort by Luke Winstanley hitting the post. Leeds continued to press with Jane Turay unlucky to hit the side netting with powerful shot on goal. Strong defence by Jacob Keddie, and determined midfield play by Ethan Ward kept Leeds on the front foot as the game moved towards the final stages but with no let up in conditions, a game of few chances for both teams, ended with no further score.
