

Friday 10th October

Leeds schools U13s girls travelled to Knowsley for Game 2 of the ESFA National cup.

The game started at a frenetic pace that both sides maintained throughout. Neither side managed to build enough pressure or dominate to create endless chances but Leeds went ahead after Leila Button despatched an incisive pass from Sophia Dudley. Knowsley began to assert their physicality and equalised soon after.

As the game ebbed and flowed, Anna Joynson found Sophia Dudley who rounded the keeper to put Leeds ahead.

Back came Knowsley who levelled the scores with a superb long range strike.

Knowsley then went ahead with 10 minutes to go as a long range free kick was adjudged to have crossed the line. With time running out Leeds showed a commendable never say die spirit and Leila grabbed her second of the game and a deserved equaliser two minutes from the end to level scores at 3-3.
