

Bradford 4 Leeds 3 04th October

Under-12s Battle the Elements in Thrilling Encounter

LSFA and Bradford Schools Under-12s braved horrendous weather conditions to produce an excellent and entertaining game of football for those hardy enough to stand out in the cold and wet.

Playing on a modified pitch but using full-size goals, LSFA started the stronger and quickly raced into a 2–0 lead. Both sides struggled to control the ball, with the swirling wind often the real winner.

Despite conditions that might have justified abandoning the game at half-time, both sets of players showed great determination to continue. Bradford rallied after the break, scoring two quick goals to draw level before adding a third to take the lead.

Leeds fought back bravely to make it 3–3, but Bradford found a late winner to clinch the victory.

Final Score: Bradford Schools 4 – 3 LSFA
